

Somerset Swimming Club (Gold Coast)

The Somerset Swim Club provides a fun and happy environment for all to pursue their love of swimming, at whatever the level they aspire. The Club is fortunate to have exceptional facilities, a terrific coaching staff and very supportive families.

Somerset Swim Club is open to both Somerset and non-Somerset families. Current club members range in age from under 5 to over 70! The Swim Club is an avenue for swimmers to compete, at regular club meets and also against members of other clubs.

In addition to the Swimming Club, the Somerset Swim Academy provides a well-developed program open to all the public that caters for all swimmers from Learn to Swim, development of juniors and seniors and Masters swimming.

The Swimming Academy runs out of wonderful facilities with three heated pools and has a fully qualified and experienced coaching team under Head Coach, Forrest Butcher, including Graeme McDonald, who has coached swimmers to the Australia Swim Team and former Olympic Champion, Ashley Callus. I do not hesitate to recommend the Swimming Academy to you.
