At the conclusion of the warm-up periods, Coaches shall co-operate by having their team members leave the pool promptly when requested to do so. The interval between having to clear the pool and the commencement of the meet is required so that the pool staff can prepare the pool for competition. In the interest of all swimmers' safety, the following pool procedures must be observed throughout the warm-up periods. Lane 8 only is reserved through the whole of the warm-up period for 25 metre sprints with a dive entry from the western end of the pool.

**We have been advised by the centre management that they are a “cashless” centre and entry fees and purchases at the kiosk are via card only.**

**HSC can accept cash or card for raffle tickets, the BBQ and cake stall. We also have organised a coffee van so that you can enjoy a coffee while you are at our meet.**

The HSC National Qualifier & Pentathlon Meet is a Short Course qualifying meet, sanctioned by SQ, utilising semi-automatic timing equipment. The following lane assignments have been calculated based on the number of entries from each club. Timekeepers will be required to report to the chief timekeeper just prior to the commencement of the meet. Your assistance is appreciated.

Self-Marshalling will be used at this Meet. Please note: All Events will be self-marshalled at the Western end of the Pool. Please ensure your swimmer is aware of which event number, heat and lane they will be competing in. A suggestion would be for all parents to write these details on their child's arm. The announcer will continually announce what event and heat is in the water plus what event and heat is required at marshalling. It is paramount that all swimmers and Team Managers take responsibility for attending their races.
