Draft timekeeping allocation. We are still hoping to get school student help to cover the 8 spots that we have allocated to clubs, so this is the worst case scenario. Two timekeepers per lane will be required. Self-marshalling is in place as per all SGC Meets.

One manual stopwatch will be provided to each lane and a Chief Timekeeper has been allocated. Please record manual times for each event in case of technical difficulties. Allocations are based on club meet entries, please ensure that your club meets its timekeeping commitment so that the meet runs smoothly.
